Class Curricular Newsletters

Please find attached the term two curriculum newsletter from your child's class teacher. It has lots of information in it pertinent to your child's learning so please do read it.

Big blue Books of Achievement

Your child's Big Blue Book will come home with them on Friday 10th November for the long weekend. This book profiles your child's latest and best achievements in school. Please do take the time to look at it with your child so they can tell you about their learning so far this school year then comment in the Parent Comments section. Please return the book in its protective folder on Wednesday 15th November.

Fyvie Fairtrade Community Café

We are re launching our community café this school year as being Fairtrade. Fyvie is a 'Fairtrade Achiever' School – the top award given from the Fairtrade Foundation to schools. We are now only serving Fairtrade tea, coffee and sugar in the community café and using Fairtrade ingredients in our baking whenever possible.

Fairtrade does cost a little more and so we are raising our prices to £1.50 for an adult and £1 for a child for a drink and a bake. This starts now! The Fairtrade group have redesigned the poster and I attach it to this newsletter.

Help is still required for our baking mornings on a Thursday and serving on a Friday. Please contact the office or your child's teacher if you can help.
