10<sup>th</sup> May 2023

Dear Parents/Carers,

Thank you for everyone who attended the Coronation Café, the children were rightfully very proud of their baking, it all looked and tasted amazing. The hall looked lovely with all the decorations and the buzz of everyone enjoying themselves was really good to hear. As so many people have asked for recipes, we have decided to have them available at future cafes for everyone to read and copy.

Hopefully, we will be able to hold Sports' Day on Friday 12<sup>th</sup> May as planned. Nursery will start their races at 9:15 am with everyone's (including nursery) **Potted Sports at 10:45 until lunchtime. The afternoon races will begin at 1pm.** A back-up date of the 19th May has been scheduled but hopefully we won't need it. If the Sports' Day is cancelled a Group Call will be sent out to everyone. Fingers crossed this won't be necessary.

Your child/children can come in their House Colours and should be dressed for the weather- sun hats, sunscreen and water bottles as well as layers for warmth.

All organised helpers for the potted sports should report to the office where you will be allocated a station.

Pick up will be as normal from the bus door at the end of the day.

Parents' evening/afternoon are being held on Tuesday 30<sup>th</sup> May and Wednesday 31<sup>st</sup> May. The appointment slips will be sent home in your child's school bag and an email will also be sent to confirm timings. If you do not receive a time by Friday 12<sup>th</sup> May, could you please let the office know.

The children have PE twice a week and the days can be changeable, especially now that the weather is getting warmer the children should, therefore, have their PE kits in school every day. Health and safety guidance states that if your child's hair is long or in their eyes it needs to be able to be tied up and if they have a piercing it needs removed or covered so please ensure your child has the necessary equipment in their bag.

Just as a gentle reminder there is no playground supervision before 8:45am and we are not insured for children to be on the premises before this time. Any children in the playground before this time are unsupervised and the school can not be responsible for them. There are staff in the school but are busy organising for the day ahead. If the weather is cold or wet the children do not have access to the school until after 8:45am.

Thank you,

*Glenna Hendry*
