Dear Parents/ Carers

This term has flown by and I can not believe how close to the end we are! Thank you everyone for the great turnout for Parents' Evening, it was lovely to get to speak to so many of you. The teachers all reported how well it had gone.

We are getting close to our **Football Gala** (9th June), I won't be able to attend, unfortunately, due to a prior engagement but I look forward to hearing all about it.

The **P1/nursery transition** is well underway, with us all looking forward to seeing them on 'moving up day' and as many parents as possible at the **transition evening, 20th June at 6pm** until 7pm.

Moving up day is the 27th June and we are planning to have classes and teachers allocated by then. We are looking at having 5 classes next year and we are working hard at sorting these out. We are also working at where the classes will be allocated as we will be one less.

Thank you for those that have returned the **Sponsored Walk** (forms so far, we have been getting them in thick and fast.

There is a lot of **preloved school uniforms** and **general clothing** that has been washed and sorted by the Parent Forum which is available to anyone who wants or requires it. Please take advantage of this as there is a large amount of clothing that hardly looks worn and it would be a shame for it to go to waste.

There is also the **Food Share** food at the school which is also there to be taken by anyone who requires it. There hasn't been a lot of food in the food share lately but it is always worth a look.

If anyone is finding it difficult at the moment with the rising cost of everything, please let us know and we will do what we can to point you in the right direction for help.

I hope you all have a restful long weekend and are looking forward to the rest of the term and everything that is planned.

Regards

Glenna Hendry
