

P4/5 Term 3 Newsletter

Dear Parents/Carers

Hello, I hope you all enjoyed your Christmas break. The class have come back happily into the routines of P4/5.

Timetable

This term we will continue to have PE on a Tuesday morning (after break) and a Wednesday afternoon so please remember PE kits.

The class will have time with Mrs Maclurg on a Tuesday afternoon and will be with Mrs Brooks every Wednesday.

We will have outdoor learning on a Thursday afternoon so please make sure that your child has appropriate shoes and a warm jacket for going outdoors.

Numeracy

This term we will begin by focussing on multiplication and division then move onto learning about fractions. On a Wednesday Mrs Brooks will be teaching time with the class.

Literacy

This term we will continue to develop skills in listening and talking, reading, writing, and spelling. Children will be working in their spelling and reading groups each day, getting new spelling lists and books each week. Reading books will go home for you to read with your child twice a week. Children will be developing writing skills by focussing on story structure, using ambitious vocabulary, openers, connectives, and punctuation. This term children will have the opportunity to choose a book from the library to bring home and read.

Topic

This term we will continue our topic of Scotland. The children have enjoyed learning stories about the lives of some Scottish people from the past. This term we will learn more about the history of Scotland and compare this with our life now as well as learning about the Scots dialect, Scottish landmarks, and landscape.
