

Fyvie School – Half-Term Update

February 2024

MID TERM BREAK & INSERVICE DAYS

Our mid term break runs from Friday 9th February to Wednesday 14th February inclusive.

We look forward to welcoming pupils **back on Thursday 15th February 2024.**

STAFF & PARENT COUNCIL PHOTO BOARDS

Our photo boards at the main entrance to school have been updated – it's always good to put a face to a name so feel free to have a look the next time you're in school.

DOOR & SCHOOL SECURITY

Just a gentle reminder to families coming in through the main/front door of school – if you can please ensure the door is closed behind you and that any additional parents/visitors buzz the door to be let in by the office.

This means that the school team are aware of everyone that is coming in and out of the building and keeps all our pupils safe and secure.

FUNDRAISING AT FYVIE

Rag Bag Clothes recycling, donations into the collection bin raised £69 last month.

SNOW CLOSURES

In the first instance of bad weather please phone the Aberdeenshire Council phone line for severe weather tel 0870 0544999 Fyvie's pin number is 021790

You can check our Facebook page for updates too. Alternatively log on to the school closures website or download the Aberdeenshire Council App <http://www.aberdeenshire.gov.uk/closures>

FYVIE SCHOOL FACEBOOK PAGE

Our school Facebook page can be found at <https://www.facebook.com/p/Fyvie-Primary-School-100057537095987/>

As well as posting weather updates on there, we also share updates about what's going on in school, events and achievements. Head over to

like or follow our page to keep up with all the latest goings on.

ABSENCES

Could all absences or potential late arrivals please be reported by 9.15am at the latest, an email to the school or phonecall/voicemail is perfect.

This also helps our kitchen to plan the meals for the day and ensure there are no shortages of school meals.

HOUSE TREAT

Petty enjoyed their house treat day on the 2nd February.

The rewards for house point numbers is under review to include a more inclusive and tiered approach, further updates on this will be sent out in due course.

DRINKS BROUGHT IN TO SCHOOL

To clarify after a little confusion, we recommend children bring along plain still water to drink throughout the day. If your child has any issues with drinking plain water please call or pop in to discuss with Mrs Craig, as we are keen to ensure children remain hydrated throughout the day and would look to support individual pupil needs.

PUPIL WELLBEING WEBS

Each child at Fyvie has this week completed a Wellbeing Web activity – this activity is a good way to check in with each child about how they are feeling about their school experience.

DRAW YOUR MUM/IMPORTANT PERSON

Children have been given the opportunity to take part in the project run by the Press & Journal Newspaper. Drawings are then submitted to be part of the supplement that's published by the newspaper for Mothers Day. We understand that not all pupils will want to take part, in which case they are welcome to create their artwork to simply take home as a memento.

We look forward to seeing all who can attend at our Scots Café and open session tomorrow morning. Please look out for the code to a survey to capture your feedback after the event. QR codes will be displayed in classrooms.
